5) Sri B. M. Sreekanth ah is a District Loco Officer, C.O. I in the Railway Secretariat. His permanent lien is in the Loco Dept. of the Mysore State Railway From 1/4/50, the General Manager of the Mysore State Railway has been authorised by the Railway Board to correspond direct with them in matters exceeding his powers of sanction. There is, therefore, no need after integration for a Railway Secretariat as this Govt. in addition have no hold on the Railways. The Asst. Railway Secretary may be reverted to the

Railways. It seems also desirable to send him back to the Railways atleast 15 days prior to integration as a Committee it is necessary he should be in his post and get accustomed to the duties of the post since a Committee is expected to go over and size up the officers of the Railways.

6) (b) The Asst. Railway Secretary is also in charge of the Electrical Secretariat. These duties will have to be attached to some other Asst. Secretary.

7) (b) As stated in para 4 there does not seem to be need to continue the Railway Secretariat from 1/4/50. Amongst the ministerial staff (items 2 i) to 2 iv), 2 vii) to 2 ix), Sri L. Narayana Setty, and items 2 xi) & 2 xiii) form part of the General and Revenue Secretariat. They are eligible for promotion. Items 2 v) and 2 x) are borne in the Railway Secretariat from the very beginning and though they are fixed in the scales of the General and Revenue

Secretariat they are contributing towards provident fund institution. The India Govt. have promised to absorb these men also on the understanding that if it is not possible to fix them up in suitable places at a future date they will be relrenched. The willingness or otherwise of the Ministerial staff for this condition is not yet been definitely forthcoming.

8) 8) 7) Amongst the inferior staff (items 3i) & 3ii) are borne on the Railway Scales permanently. Items 3iii) to 3vi) are temporary posts borne on the General and Revenue Secretariat Scales. These posts have put in service ranging from 3 years downwards. The registrar who was ascertained whether it was not possible to make them permanent has advised that there are no vacancies to make them permanent. The G. M. M. S. R has

however been written to advise whether these temporary posts could be absorbed in the Railways, in any capacity. The reply is awaited.

9) 7) There are nearly 12,000 files in the Railway Secretariat. As per the orders of the Chief Secretary a letter has been addressed to the Railway Board to intimate this Govt. whether they require the files to be handed over, if so the nature of files that are required to be handed over etc. The reply is awaited. Meanwhile, the files are being sorted out.

10) 8) It is, however, felt that some miscellaneous correspondence may be coming to the Secretariat even after 1/4/50, the originator of the correspondence not knowing the Railway has been integrated. Arrangements will have to be made to tackle such correspondence.

11) 9) Most of the furniture in the Railway Secretariat is borne under Stds & Plant of

2442/B 3697/CB

Railways. A separate account is maintained for these furniture, and yearly statement sent. Some furniture of the Railway Secretariat is being used by other Secretariats. Other aspects of these furniture are undertaken by the General Revenue Secretariat. In the circumstances it is to be decided what to do with the furniture
